### MIRACLES

Since the beginning of January our Energize Groups have been looking at the Miracles of Jesus. Each week we have explored a different story from the bible using games, craft, food, music, drama, bible study and prayer. There are so many miracles that Jesus did and so much to learn from them. So far we have found out about him turning water into wine, forgiving the sins of the man lowered through the roof and then healing him, bringing Lazarus back to life and restoring 10 lepers to health. We were a bit shocked to find only one said "Thank you!" to Jesus after he transformed all their lives! Blaze made clay pots to remind them of the very ordinary water holders Jesus used to do an extraordinary thing for the hosts of the wedding. Fuel enjoyed hearing the story of the man lowered through the roof illustrated with a Lego model. Pulse had a lot of fun wrapping each other in "grave clothes" when they thought about Lazarus. Ignite stuck Jelly Tot "sores" on gingerbread men as they thought about how Jesus healed the lepers. And there are plenty more miracles to look forward to! The God who loves us and created this
