Mission of the Month....

Bible Society

For over 200 years Bible Society has been working to bring the Bible to life; to help people around the world engage with it, relate with it and make sense of it. When individuals and communities engage with the Bible, lives can change - for good.

This morning Heather Clements will be sharing something of the Bible Society's work in Eswatini (Swaziland).

A community where everyone can encounter the transforming love of Jesus

Here for the first time?

If this is your first Sunday with us at the Church on the Heath, we hope you feel very welcome. Do stay for refreshments after the service so we can get to know one another.

If you would like to keep in touch, please leave your details on one of the cards at the welcome desk near the entrance.

A parent-supervised crèche for the under-threes can be found at the back of the overflow area.

We usually take a collection during the service. There is a box and a card reader at the back if you would prefer to make an offering there.

Large-format printed song sheets are available at the back with the stewards.

Our loop works best in the central seating areas of the main worship area.

Calais Refugees update

Sarah Horton, of Fleet Aid for Calais Refugees, states: "The news may not mention refugees much now, but they still need our support. We aim to take over a car full of sleeping bags at the end of October. Any spare sleeping bags in Fleet area have already been donated, so in order to fund raise I'm walking 50km on the North Downs Challenge on the 28th Sept. I'll be thinking of those who have walked across Europe to seek safety while I do it. I'd love your support!"

Re-Energize / Energize Children's Consent Forms

Yener, Fiona and their teams are getting really excited about the September "Re-Energize" programme which is going to be action packed and lots of fun.

We are grateful to them taking this on so that as a whole church we can spend time together on Sunday mornings in Sept. and Oct. considering, discussing and praying about how we nurture and sustain faith in the 21st Century.

To ensure that the children are safe and happy in our care it is essential that we have up to date consent for every child.

You can update permissions for the academic year 2019-20 directly at [MyChurchontheHeath](#) – please remember to check any dietary or additional needs which may no longer be applicable and to give photo consent on the separate tab if possible (the children love to be in photos!).

If you don't have access to MyChurchontheHeath, please pick up a hard copy of the form on Sunday morning and return it to the church office when completed.

If you have any questions about completing the forms please contact Tracey Anne Evans:
